

Lead Hazard Control

Phoenix, AZ

Project Type:

Lead and Asbestos Remediation

Project Owner:

City of Phoenix

Contact:

Lead Hazard Control Program

602-262-7158

Final Value:

\$ 750,000

Completed 1999 - 2002

Project Description:

Matrix completed various projects throughout the city under this federally funded program. Work consisted of:

- Lead Hazard Mitigation
- Door and Window replacement
- Painting
- Carpentry

All work was completed under the watch of the homeowners, who had been given the grants through the City of Phoenix, and was performed in extremely poor areas.
